Dear [Salutation>],

The most meaningful moments at **Barclay Friends** often begin simply: a Resident sharing memories with a student, families gathering for Grandparents Day, enjoying a concert, educational presentation, horticulture program, or afternoon activity.

These moments may be brief, but their impact can be lasting. At **Barclay Friends**, **quality of life is an essential part of quality care.**

The Exton Elementary Biography Project brought Residents and fourth-grade students together to talk, listen, and create books honoring Residents’ lives. More than a school assignment, it gave Residents the opportunity to pass along wisdom, humor, and history to a new generation.

The success of this project reflects the meaningful opportunities Residents enjoy every day at **Barclay Friends**. When Residents have opportunities to share their experiences, build relationships, and remain engaged, lives are enriched across generations.

Family feedback like this reflects the commitment of our Team Members, the strength of our programs, and the welcoming environment Residents experience each day.

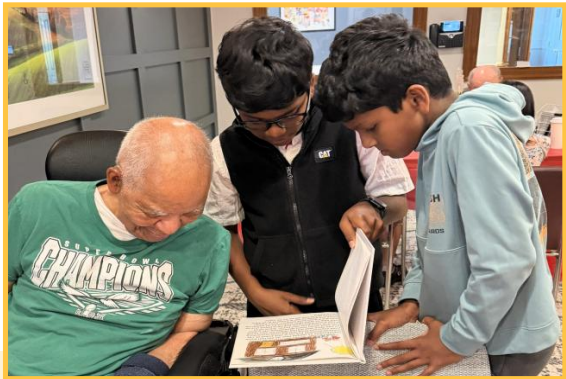

Your support helps make these moments possible. Gifts to **Barclay Friends** sustain Resident programs and activities, support campus improvements, and provide the flexibility to respond to changing needs.

As you consider your charitable giving this season, please consider making a gift to **Barclay Friends**. **Your generosity helps ensure that Residents continue to enjoy engaging programs, quality care, and a vibrant community they are proud to call home.**

With sincere appreciation,

Maria

Every Resident Has a Story to Share
An intergenerational biography project celebrates the stories and experiences of Residents.

“I have recommended Barclay Friends to several people. We’re very happy with the care received. My mom is very well cared for.” – Daughter & Family of a 4-Year Resident

“Very happy with all staff. Everyone generally seems to care about my mom’s well-being. So clean in facility, and food choices are amazing. Activity schedule is amazing, and the people who run the activities are wonderful! So far I’m very happy!” – Daughter of a New Resident
